Dear Mr. & Mrs. Kelly:

During our recent visit with Linda and mother and family I learned from my mother that you had listened to our Herald of Truth broadcasts on occasions. I am so glad that our program is heard on the Lexington station because of so many, many people like yourselves that I appreciate and have known through the years. It occurred to me after my folks left going back home that you all might enjoy receiving the printed transcripts of these lessons. I know you have very little time for reading, but they might be valuable in some way to you.

We have a preferred mailing list of people who receive all four or five of the lessons at the end of each month in a printed form. I have instructed our mailing and listener response department to place you on our monthly mailing list for those printed copies.

We appreciate so much the wonderful son you have raised in Jerry and know that others in your family are just as fine; but we know Jerry so well and love him so much. He has made and is a wonderful husband and a great father. We are happy to be associated with you through Jerry and Linda. Thank you so much for listening to our program.

Sincerely yours,

John Allen Chalk
